Hey There! I'm Teacher

BOYD

My name is Ms. Smith-Boyd. I'm a 30 year veteran teacher with CPS and I'm enthusiastic about teaching your child this upcoming school year. It is a pleasure to be his/her 6, 7, or 8th grade science teacher. The curriculum I will implement across all grade levels is AMPLIFY, IXL, Readworks, and videos from the Museum of Science & Industry. All parents, guardians, and students can reach me via email at ssmith-boyd@cps.edu.
