

Meet the Teacher

School District
School Name

Hey There! I'm Ms. D. James

Hello. I am Ms. D. James and I will be your child/ren math teacher. I have worked at Laura S. Ward School since 2006. I believe everyone is capable to understanding and learning. We are all different learners. Therefore, many methods will be taught to deepen your child's understanding. I look forward to working with each of you as we embark on this remote learning journey. Let's Do This!!!!!!
